Property Description

In the heart of the popular village of Lachassagne, this village house surprises with its volumes, the quality of the renovation, its breathtaking view of the Beaujolais mountains and the sunset. Past the discreet entrance porch, and after crossing the beautiful green courtyard, access to the house opens onto a practical and functional hall equipped with custom-made storage. Rarely has the expression "conviviality" been so well illustrated, thanks to open spaces where equipped kitchen, dining room and living room come together. Here, the authentic dialogue with modernity and the large openings allow you to enjoy the view of the Beaujolais

mountains. On the first floor, there is a second living room of more than 40sqm of remarkable height. A hallway leads to the first two bedrooms of the house and a bathroom. The top floor is entirely dedicated to the master suite, its two dressing rooms and its bathroom. The lower level of the house is accessible by a remarkable staircase designed by the architect to optimize the search for light in the living room. In this space, which remains to be fitted out, a bedroom with bathroom and toilet can easily complete the living area. On the exterior side, a beautiful terrace allows you to enjoy the beautiful summer evenings, and the garden offers the possibility of hosting a swimming pool. A cellar as well as outbuildings complete this extraordinary property. Built in one of the most popular golden stone villages, this house with generous volumes and remarkable potential will delight a family looking for character and modernity. DPE in progress

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
