Property Description

On the heights of the charming village of Pollionnay, this old 1820 farm of 340m² was masterfully renovated by an architect in 2011 and benefits from an exceptional panoramic view of Lyon and the Alps. Like a "hacienda", this magnificent rehabilitation is organized around a central courtyard with trees and its fountain. In a very contemporary style, the main body of this old farm accommodates on the ground floor, a separate

equipped kitchen and a large double living room with access to a terrace overlooking the garden and enjoying a breathtaking view. A flight of steps leads to a half level where there is a laundry area. Continuing on, the staircase serves the upper floor and its night area which includes two beautiful bedrooms, a bathroom, an office space and a spacious master suite decorated with three dressing rooms and a bathroom with shower. On the lower level, a fully equipped cinema room and a games room are located. Facing the main building, a 6m x 3.20m indoor swimming pool opens onto a 20sqm suspended terrace. A gym completes this exceptional property. Family gatherings will take place in the old barn, which houses a magnificent summer kitchen with an ethanol fireplace and a large 40sqm mezzanine. Like the old farms, many nooks and crannies have been cleverly designed: a 64sqm garage, a 25sqm vaulted cellar, an attic, etc. The successful combination of different materials makes this farm a corner of paradise just a stone's throw from the capital of Gaul. - Underfloor heating - Spa - Indoor swimming pool - Air conditioning - Fiber ENERGY CLASS: B / CLIMATE CLASS: A Estimated average amount of annual energy expenditure for standard use, established from 2021 energy prices: between EUR2,900 and EUR4,000

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
