Property Description

In the commune of Eclose-Badinières, this old 19th century farmhouse of 200 m² and its outbuildings are located on a plot of 8500 m², just 15 minutes from Bourgoin-Jallieu.

Between fields and forests, this property offers an open and natural living environment, with modern amenities. The main building houses the habitable part of this complex. On the ground floor, the living room of almost 70 m² consists of a lounge and a dining room.

The character of the old has been preserved with a beautiful high ceiling and exposed beams. Discreet but complete, the kitchen and its pantry are separated from the living room. This level is completed by a 20m² bedroom and an 11m² bathroom.

The wooden staircase leads to the upper floor where the night area is revealed. Here, 2 bedrooms and a games room area are located for the greatest pleasure of large families. Facing the house, a barn accommodates a covered space for vehicles. The exterior is equipped with a swimming pool and a dedicated, fully enclosed space for horses.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
