Property Description

This elegant 225 m² mansion, spread over three levels, is ideally located in the heart of Villefranche-sur-Saône, just 5 minutes from the covered market and Rue Nationale.

Nestled on a plot of over 700 m², the exterior boasts a charming garden, a large terrace sheltered by a

majestic mansard-style awning, and an 80 m² outbuilding to be renovated.

From the moment you step inside, the atmosphere exudes the elegance of yesteryear: high ceilings, wood paneling, parquet floors, cement tiles, and period fireplaces. Every detail takes visitors on a journey through time.

The ground floor, entirely dedicated to living and reception areas, features a cozy living room, a dining room, and an office offering a soothing view of the garden.

Adjacent to these spaces is a kitchen, which could be redesigned to optimize the dining area, completing this level.

A magnificent staircase, both imposing and refined, leads to a spacious landing bathed in light.

This landing serves the first floor, dedicated to the sleeping quarters: two large, bright bedrooms share a bathroom, while a master suite with an en-suite bathroom and ample closets completes the level perfectly.

On the second floor, three beautiful attic bedrooms are added, along with a bathroom. A small, charming painting studio also enhances this final level.

Additionally, a full basement and a cellar offer further possibilities for storage or conversion.

Finally, the 80 m² outbuilding awaiting renovation is a true asset, providing the potential to maximize this exceptional property's value.

This home, with its outstanding potential, invites its new owners to reinvent its story. It will captivate those who appreciate unique spaces that combine charm, character, and authenticity, right in the heart of the city.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
