Property Description

Exceptional views from a south facing position that bathes in sunshine, positioned in the traditionally styled Le Crêt area of the village of Montriond, next to Morzine.

Built in 2008, to a very high standard by a renowned local constructor the chalet has been maintained in excellent condition ever since and shows very little sign of wear.

Traditional construction styles meet a spacious modern layout over 3 floors with 400 metres squared of enclosed space, including an entrance hall with separate WC, and a bright double height living area fronted by a deep balcony with outdoor dining area, stone barbecue, and a hot tub.

The L-shaped layout flows from the modern kitchen, into a dining space and then to a lounge with an open hearth wood burning fireplace. A door leads into a bar area that also doubles as a gym, and has a boot room equipped with boot dryers. Beyond this is the very large garage that has space for a car, bikes and sports equipment.

The master bedroom and ensuite bathroom is on the upper floor, accessed via a mezzanine reading area. French doors open onto a private balcony and the beautiful views.

At garden level there are 3 large double bedrooms with ensuites and a bedroom with 4 built-in wooden bunks, that also has its own ensuite. Also on this level is the sauna with relaxation area, sink, shower and separate WC.

The chalet has an office space on the ground floor, and a technical services room on the garden level.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
