Property Description

Nestled on the heights of BÉligneux, this elegant 1930s house, completely renovated, combines period charm and modern amenities. With 240sqm of living space and 140sqm of outbuildings, it extends over a wooded plot of 4700sqm, offering an unobstructed view and a peaceful setting without any vis-à-vis.

The ground floor opens onto a sumptuous period entrance hall, which gives access to a vast living room bathed in light, a fully equipped separate kitchen and a second living room that can be converted into a

bedroom on one level. A bathroom, a toilet, a storeroom and a laundry room complete this functional and refined living space.

Upstairs, two large bedrooms share a lounge or games room area, ideal for children. A master bedroom with dressing room and office is added to this level, as well as a bathroom equipped with a bathtub and shower, and a second toilet.

Outside, every detail has been designed for relaxation and comfort. Various terraces welcome moments of conviviality, while a jacuzzi and a heated swimming pool of 6x12 m with submerged shutter fit perfectly into this green setting. A well providing drinking water completes the outdoor facilities. The 140sqm outbuilding, converted into a reception room with a large equipped bar, offers an ideal space for your evenings with friends. It also includes an additional guest bedroom and a shower room.

This property benefits from a high-end renovation, including a new gas boiler, modern air conditioning and optimized insulation. Its location is also ideal, just a five-minute walk from La Valbonne train station connecting Lyon in 30 minutes, close to the 132 Lyon-Bourg-en-Bresse bus lines, private and public schools, shops and the motorway 2 km away. A rare property combining character, elegance and modern comfort, to discover without delay.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
