Property Description

Located near the city center of Limas, this villa offers a living area of 280 sqm, supplemented by 146 sqm of outbuildings, including a double garage and a cellar. As soon as you enter the property, you will be greeted by a breathtaking view of Mont Blanc.

The plot of land, with a surface area of 6,000 sqm and entirely buildable, guarantees perfect privacy while

allowing you to consider different construction projects. The spacious living room, facing due south, opens directly onto the terrace and benefits from optimal light. It is accompanied by an elegant and functional Bernollin kitchen.

The sleeping area offers four bedrooms distributed around a bathroom and a shower room.

An office, whose exposed framework accentuates the authentic character, offers a 360° panoramic view of the surroundings.

Thanks to a thoughtful interior design, each room has level access to the south-facing terrace.

The villa, built in 1994, has recently undergone a careful renovation with modern features. A swimming pool with counter-current swimming, more than 100 sqm of outdoor terraces and a facade renovation made with fiber canvas add comfort and elegance to the whole. The heated and cooled floor ensures a pleasant temperature all year round.

The location, the exceptional view of Mont Blanc and the potential offered by the land give this property a rare and unique character.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
