Property Description

Located out of sight, at the end of a discreet dead end on the heights of Saint Didier au Mont d'Or, this house has benefited from the talent of an interior designer and invites you to privacy and serenity. Set on a plot of 1113 sqm, it stands out for its warm atmosphere. A green setting where the swimming pool, surrounded by a large wooden terrace, becomes a real natural extension of the living room. The entrance leads you directly

into a vast living space bathed in light, where the cathedral ceiling and the central fireplace create a warm and airy atmosphere. The large bay windows open onto the garden and the swimming pool, bringing at all times a feeling of connection with nature. This living space is a real refuge where comfort and space blend together. On the same level, three bright bedrooms on one level offer a soothing resting environment, accompanied by a shower room and an elegant bathroom. Each room has been designed to combine modern comfort and timeless design. A big plus of this house: the 26 sqm mezzanine, partially attic, which can easily be converted into a bedroom, office or creative workshop. This volume, bathed in light, offers a breathtaking view of the living room and the swimming pool, thus adding an additional dimension to this living space. The exterior is not left out. The swimming pool, with its wooden terrace, becomes the heart of the garden, ideal for your moments of relaxation or for summer evenings. The environment, calm and green, invites relaxation. The house blends harmoniously into this natural setting, thus offering a real feeling of escape, while being close to the city. Finally, a large garage completed by converted attic space offers numerous possibilities for storage or additional development. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
