Property Description

It is hidden from view that this magnificent farmhouse is located, renovated with attention to the original spirit of the building, and designed as a place of development for the whole family.

Once through the gate, the house seems entirely organized around the landscaped garden and the swimming

pool. The entrance hall offers a real practical aspect thanks to its multiple organized storage spaces.

From here, the master bedroom and its bathroom are accessible, where history and modernity coexist. On the opposite side is the open kitchen, its dining area and its discreet and judicious access to the pantry.

A few steps separate the kitchen from the living room with its remarkable height, and an area of more than 50m². Taking advantage of large bay windows, a feeling of symbiosis with the garden emanates from this friendly and warm living space. Still on the ground floor, an additional bedroom with bathroom provides a certain privacy. An office completes this level. As for the upper floor, it accommodates two bedrooms sharing a bathroom. Each living room seems to be associated with the intimate landscaped garden and its swimming pool, which exudes calm and serenity.

On the parking side, a double carport and a garage will allow parking for three or four cars. Ideally located, benefiting from comfortable volumes and great amenities, this house offers a perfect answer to families looking for calm and privacy on the outskirts of Lyon.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
