Property Description

Nestled in the heart of a green setting of nearly 2000 sqm, this former farmhouse, completely renovated and extended, benefits from an enchanting landscape, offering a breathtaking view over the valley to the Monts d'Or. Here, everything is light and serenity, in absolute calm while remaining close to the center of Marcy l'Étoile and amenities as well as Parc Lacroix Laval and the Charbonnières-les-Bains train station which

serves Lyon. Upon entering, a generous hall reveals on one hand, an office space bathed in light, where a large opening frames the surrounding nature like a living painting. A first master suite completes this part, providing comfort and privacy. On the other side of the hall, is the living space with a semi-open, fully equipped kitchen, extended by a discreet pantry. The harmoniously spaced living and dining rooms open wide onto the exterior, inviting contemplation and conviviality. A staircase leads upstairs, where light remains omnipresent. Four bedrooms, including a second master suite, make up this sleeping area, accompanied by a bathroom. Outside, the wooded grounds unfold their assets: a swimming pool for sunny days, a pétanque court for shared moments, and a separate workshop of over 30m² to give free rein to your desires. A house where the charm of the old dialogues with a careful renovation, designed to enhance the light and nature. A unique living space, to be discovered without delay. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
