Property Description

Exclusivity: It is a set of old buildings, a residential house and its outbuildings, ideal for the development of professional, private or rental projects (150 m2 on the ground to be developed) Located at a crossroads which offers good visibility and traffic, less than 400 m on foot, in shopping mode with several shopping centers and amenities, and bus stop to easily navigate Dinan. Carefully maintained by its owners, the house has benefited from embellishment work and offers a "Home sweet Home" atmosphere with its open fireplace in the living room and its stone character. The ground floor welcomes you with its bright entrance hallway,

which serves an independent kitchen with modern furniture, a toilet, a bathroom, a dining room open to the staircase hall in a row with the living room / library. The 1st floor offers a landing which serves 2 bedrooms in a row with the possibility of making them independent, and a 3rd bedroom. To complete the main house, the 2nd floor is a source of inspiration with its convertible attic space. Benefiting from good double glazing for the soundproofing side, a city gas central heating and its fireplace for winter evenings; it is a favorite just a stone's throw from activities and the city center. The added value of this house: development potential thanks to this large adjoining outbuilding which allows multiple opportunities. The house located on the roadside benefits from a commercial environment, and allows possibilities, such as creating offices or a showroom for example with its beautiful carriage entrance! Its adjoining garage on the rear facade completes the potential project not to mention its pretty little garden, historically a parking lot. It is an essential breath of Nature to enjoy its outdoors. The virtual tour is available! (4.75 % fees incl. VAT at the buyer's expense.)

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
