Property Description

New Construction Apartment Urbanizaciones for sale on Costa Blanca.

NEW RESIDENTIAL COMPLEX IN FINESTRAT WITH SEA VIEW !!

The residential has in its center a small valley or valley and on each side of this valley there is a block of apartments.

The houses are facing the sea and south, with large front terraces, spaces that give life.

In the residential you can choose houses on the ground floor with 3 bedrooms duplex with a terrace on the ground floor and a garden in the basement (where there is a large open space that can be activated for additional bedrooms), on the first floor with 2 bedrooms with large terraces or plants penthouse 3 bedrooms with large private terraces and solarium. All with wonderful views of the sea and the rooftops of Benidorm.

The terraced structure of the complex means that the terraces stagger their descent towards the valley with large walls of cyclopean stone and classical masonry. Natural stone. Just like three thousand years ago.

And each platform brings its beauty. The highest with water, pools, viewpoint and social meeting spaces. And the view of the sea, from above, on its right scale.
