The land is fenced around its entire perimeter with access gates for vehicles and pedestrians.

The surface of the land is divided between the parking lot finished with stamped concrete, a lawn area and a paved area with the same flooring as inside.

The interior carpentry is equipped with a high-security armored entrance door. The interior doors and cabinets are lacquered in white.

In the kitchen, the furniture is white and the quartz worktop matches the floor of the house.

In the bathrooms, there are built-in shower trays and glass screens, as well as bathroom furniture and wall-mounted sanitary ware.

The villa is equipped with pre-installations for air conditioning.

These fantastic properties are located close to Villamartin Plaza and Villamartin Golf Course, where you will find many bars and restaurants, supermarkets, banks, a taxi rank and the local bus stop.
