Property Description

New Build Apartment Playa for sale on Costa Blanca.

NEW BUILD BEACHFRONT APARTMENTS IN LO PAGAN New build of 10 beachfront apartments in Lo Pagan. These apartments will be built to the highest standards and are within walking distance of the beach, restaurants, promenade and shops of Lo Pagan. The building has 3 floors with 2 or 3 properties per floor, with 2 or 3 bedroom options. All apartments enjoy stunning views of the Mar Menor and the 2 penthouses have a private solarium. Optionally, you can also have underground parking and a storage room.

The privileged location of San Pedro del Pinatar, on the Mar Menor and the Mediterranean coast, attracts sailing and water sports enthusiasts, who will find in the city marinas and sailing clubs, while the beaches and natural mud baths attract people in search of sun, of sea and sand. San Pedro del Pinatar has a well-established community and offers an excellent range of activities, including an indoor swimming pool and sports facilities, as well as a year-round social activity programme thanks to the pleasant winter climate. The benefits of the mud baths, typical of the area, or the calm waters of the Mar Menor, have favoured the growth of Lo Pagán, which currently has all kinds of amenities. In addition, it has an excellent location, just 5 minutes from the Dos Mares shopping center. Murcia/Corvera airport is 30 minutes away and Alicante airport is an hour's drive away.
