Property Description

Resale Detached House Alicante for sale on Costa Blanca.

Maximum warmth and comfort in our magnificent property with modern lines in connection with nature, in this peaceful corner of the Buena Vista urbanization in Calpe.

br>br>

Located on a magnificent corner plot of 1000 m2, the volumes of the house play with each other, moving to create different semi-covered and uncovered spaces, generating a staircase to the pool and the vegetation that surrounds it. Looking for a continuous link with the outside world and taking advantage of its southern orientation. And with natural stone as a differentiating material for the volumes, which brings us even closer to this Mediterranean architecture that we are so passionate about.

br>br>

Spread over one floor, the house has a large living-dining-kitchen room with large windows that create a bright and airy environment. A perfect place to enjoy the sunrise from the couch or end the day with a good book! And 3 bedrooms and 2 bathrooms. Each environment is designed to optimize space, lighting, and views, turning it into an ideal space to share fond memories.

br>br>

With your comfort and well-being in mind, the project has been designed with the highest qualities and standards, such as underfloor heating, air conditioning, alarm or double glazing, among others.

br>br>

Easy and convenient, with multiple maps at your fingertips. Just 1 minute from Parque de la Vallesa, an amazing place to organize barbecues, close to restaurants, tennis club, bus stops and supermarkets.
