Property Description

New Build Detached House Alicante for sale on Costa Blanca.

We all have those moments when we wish we could find the house we've always dreamed of without too much tracas.br>br>

In this beautiful and modern luxury villa, this dream can finally come true in a property that really looks like something out of a Hollywood movie and located in the Oltamar district, Calpe, to make the most of the magnificent sea views. br>

This villa is spacious and has enough space for the family to spread out. It is located close to restaurants and supermarkets and consists of 2 floors, where the upper floor comes with all the amenities you could ask for included in the perfect package. br>br>

The philosophy of the architecture we want to design in this project is to build a modern house with very defined and straight lines, so that there are elements that break with the norm of avant-garde architecture>>
