Elegant, wonderful, charming and yet simple. Another new project by Jetvillas that will make your stay in Calpe truly unique. Located close to the sea, sandy beaches, the best golf courses, a restaurant, a supermarket and the nearby town, this property is in a great location and is built with the best materials and service by a

company that has 30 years of experience in making real estate dreams come true and in achieving specific goals for its clients. It is guaranteed for 10 years.

An intricate blend of glass and concrete in an exceptional setting that features geometric lines and plans, this minimalist villa is synonymous with luxurious living as no cost has been spared to ensure your satisfaction and ultimate enjoyment. With a sense of relaxation well anchored in the construction, everything has been thought of to allow you to enjoy the breathtaking views of the surroundings and the magical view of the sea and the mountains.

The ground floor of the house extends smoothly over an open space that directly overlooks the pool.

Elevated, it also overlooks the neighboring area as far as the eye can see. There is a spacious living room that gives way to a lovely dining area right next to the kitchenette, with a breakfast bar and a marble island. Four bedrooms, two of which are en-suite and two doubles, offer more than adequate accommodation for family and guests, with privacy being a priority in the design.

Guests can take a dip in the property's swimming pool, which has open and covered areas for relaxing and napping. There are also two parking areas, one in the basement and the other on the main level. The rest of the grounds have been beautifully landscaped, from the lawn to the trees, to make it the best possible playground for your kids, even if you keep an eye on them.

And all of this can be yours today. Just give us a call as soon as possible.
