Property Description

New build apartment Pilar de la Horadada for sale on Costa Blanca.

NEW RESIDENTIAL COMPLEX IN PILAR DE LA HORADADA New residential construction of apartments and penthouses with exceptional finishes in Pilar de la Horadada. The ground floor apartments have private gardens, the middle floor apartments have large terraces and the penthouses on the top floor have private solariums. The kitchen comes fully furnished, leaving enough space for you to choose the appliances according to your preferences. Only noble materials have been used, such as the interior joinery

made entirely of wood and the exterior windows in Climalit/aluminium, ideal both for their design and for the high thermo-acoustic level they present. All terraces are south-facing. Automatic gates in the residence, both for pedestrian and vehicular access. The building is surrounded by gardens, it will also have a communal swimming pool, parking inside the complex and each property has its own private storage room. In the vicinity of this residential complex you will find all the facilities of public transport, schools, supermarkets, shopping centres, golf courses and fantastic municipal parks with their children's playgrounds. Everything is at your fingertips so you can enjoy a great location. Pilar de la Horadada is a typical Spanish village located in the southernmost part of the Costa Blanca. The main high street is home to supermarkets, many shops, restaurants and bars, as well as pretty squares. The beautiful beaches of Torre de la Horadada and Mil Palmeras, with their sandy promenade, are only 5 minutes away. Corvera (Murcia) and Alicante airports are 40 and 55 minutes away respectively.
