Property Description

New build Villa Cumbres del Sol for sale on Costa Blanca.

Modern design villa for sale in Cumbres del Sol A unique project for one of the last plots of land available in this part of the urbanization, an area established in the Cumbre del Sol residential complex, designed to make the most of the sea views. Its location stands out, mainly because it allows you to walk to the "Adelfas" shopping center, where you can find services and a range of dishes and the sports area of Cumbre del Sol. It's a great place if you want to play sports, go out for a meal or just go for a walk. A special project for those

looking for a property with a unique design. A practical layout with smart solutions that manage to make the most of the space. The villa has 3 bedrooms, the master bedroom has a walk-in closet and en-suite bathroom, the other two bedrooms have a shared bathroom and access to the terrace. There is an open plan kitchen opening onto the living-dining room separated by an island, an expansive porch where you can enjoy long after-dinner conversations, landscaped areas around the terraces, an infinity pool and many other details that make this property unique.
