Property Description

New Build Apartment Estepona Golf for sale on Costa del Sol.

NEW RESIDENTIAL COMPLEX IN ESTEPONA GOLF New residential complex of 90 apartments and penthouses with 1, 2, and 3 bedrooms, all with garage space and Estepona golf storage room. This is an exclusive gated community to ensure safety and privacy. All properties are designed to take advantage of the vegetation and natural environment with interior spaces that seem to extend onto the terraces to achieve greater brightness and a sense of space. In addition, the residential complex has common areas with two

saline chlorination pools, a multi-sports field, a social club for recreational or sports activities, as well as extensive green areas. The residential complex is an oasis surrounded by nature. A perfect place to enjoy the tranquility, while having access to a wide range of outdoor sports activities, thanks to the proximity to Estepona's golf courses and spectacular beaches. Estepona Golf is an 18-hole course located between Gibraltar and Puerto Banús, on the new Golden Mile, just 3 km from the beach and with a wide variety of services and facilities offered locally. It is located in a unique environment, just 3 km from the beach and offers stunning panoramic views of the coastline.
