NEW RESIDENTIAL COMPLEX IN RINCON DE LA VICTORIA, NEAR MALAGA

A few kilometres from Malaga, Rincon de la Victoria is a city that has it all: beaches, services, leisure options, sports activities, cultural offers...

It is in this wonderful location that the complex is located, a perfect development to enjoy the quality of life on the Costa del Sol. Its Mediterranean climate, pleasant temperatures throughout the year and one of the longest beaches on the Malaga coastline make this enclave a unique and very special place. Here in Rincón de la Victoria, you'll live by the beach, stroll, feel the water and let yourself be caressed by the sea breeze. You are at home.

The New Build residential complex is another way to see and experience life. For its spectacular location in the heart of nature, for its convenient and accessible location, for its innovative and avant-garde design, but above all for the sea. This residential complex is sea, land and incredible panoramic views, the pleasure of looking at the horizon, the breeze and the waves, rediscovery and return to our natural origins.

In this residential complex you will live in the beautiful and privileged surroundings of the Costa del Sol, enjoying an avant-garde, warm and comfortable architecture, where extensive terraces offer magnificent sea views.

The complex also includes common areas with a swimming pool and a gazebo surrounded by nature, allowing you to swim in peace while contemplating the Mediterranean at your feet. All this without forgetting the proximity to the beach of Rincón de la Victoria and all the services offered by the municipality.

New construction by the sea where nature and architecture come together to create a paradise on earth: a total of twenty-two 2 and 3 bedroom houses with garage, boxroom and great sea views. In addition, your new home comes with a carefully landscaped swimming pool, gardens and common areas where you can relax and unwind.

At this resort, wellness means being able to enjoy every minute of the day. It is enjoying a beautiful sunset from your terrace and relaxing in the exclusive community spaces. It's knowing that you're only a short distance from the beach, enjoying the natural beauty of the surroundings, or having breakfast while watching the sun rise from the sun terrace of your penthouse. Modern, open and functional properties with outstanding specifications. This is your new home.

Your new home benefits from quick access to the A-7 and AP-7 motorways. These road links will allow you to easily travel to the surrounding cities as well as to Malaga, with its AVE high-speed train station and airport.

From your new home in this complex you will have it all: the tranquility and privacy of its location and at the same time a surrounding area brimming with life, both in the city of Malaga and in other nearby municipalities.

Malaga offers endless opportunities for leisure and culture throughout the year. It is an open and cosmopolitan metropolis that offers a wide range of options to enjoy the city to the fullest: prestigious restaurants, internationally renowned museums, leisure activities, parks, film festivals, music events such as Starlite, retail stores and much more.
