Property Description

New Construction Town House Mijas Golf for sale on Costa del Sol.

SEASIDE RESORT WITH STUNNING SEA VIEWS AND 300 METERS FROM THE BEACH.

Residential complex consisting of 3 and 4 bedroom houses with impressive sea views. Privileged location next to the El Chaparral golf course and facing the Mediterranean. The spacious and well-distributed interiors open up to the outside thanks to large floor-to-ceiling windows, so that the Mediterranean light floods your home for most of the day. Covered or uncovered terraces, or private gardens, transform your home into a

private oasis of relaxation and outdoor fun. Some units even have a private pool. All apartments have hot/cold air conditioning, underfloor heating (optional), fully equipped kitchen, fitted wardrobes and private parking. The resort is a reinvention of the traditional resort, with an exclusive sports club equipped with a spa, gym and tennis courts. There's also a large communal outdoor pool and concierge service, including golf and restaurant reservations and even home deliveries. A gated community that reinterprets and updates the essence of luxury on the Costa del Sol. It is strategically located a stone's throw from La Cala de Mijas, a beautiful coastal town known for its excellent restaurants and wonderful white sandy beaches. Mijas Costa is internationally renowned for its wonderful microclimate with more than 320 days of sunshine a year, an average annual temperature of 20°C, its spectacular golf courses and its proximity to Malaga airport, just 20 minutes away, the same distance as Marbella and Puerto Banús.
