Property Description

Resale Penthouse Cerros De Los Lagos for sale on Costa del Sol.

NEW RESIDENTIAL COMPLEX IN ISTAN, NEAR MARBELLA New construction in the Sierra de las Nieves, close to the Sierra Blanca Country Club resort, in an area of outstanding natural beauty with centuries-old forests and panoramic views of the bay of Marbella and the large reservoir of Istán. The project comprises 4 blocks of 3 floors with contemporary "open plan" style houses but with a rustic look that blends into the natural environment. 2 and 3 bedroom apartments and penthouses with solarium, with large terraces,

a communal swimming pool and gardens with native plants. The homes are delivered fully equipped, with premium brand finishes, ready to move into. They also have underground parking and a storeroom. The new development is connected by wide roads with sidewalks, landscaped gardens, parking for visitors and rural paths among the forest areas so that you can relax in harmony with nature. All homes have stunning views of the bay of Marbella and Gibraltar to the southeast. Istan is a town of Arab origin located in the Sierra de las Nieves Natural Park and only 15 kilometers from the beaches of Marbella. The beauty of the surrounding nature, the passage of the Verde River, its fountains and the magic of its corners make Istan popularly known as the "Manantial (spring) of the Costa del Sol". In addition, the proximity to Marbella allows you to combine relaxation with nightlife, entertainment or golf.
