Property Description

New Build Villa Rio Real for sale on Costa del Sol.

Complex of 27 townhouses and semi-detached houses with 4 and 5 bedrooms in Marbella with stunning sea views. Distributed in the basement, ground floor, first floor and solarium where you will have a private swimming pool with stunning sea views. The white and modern architecture reflects the Mediterranean in all its elements, even inside the houses. The garage will be located in the basement, with a single access for vehicles from the public road, thus avoiding road traffic inside the development. The development has an

outdoor swimming pool for communal use, extensive gardens and access roads to each house. There will also be a gym with Turkish bath, sauna and massage room. Marbella is considered the capital of the western Costa del Sol. Bathed by the sea and sheltered by the mountains, it has splendid and extensive beaches with calm waters along 27 km of coastline, natural attractions, marinas, its 21 golf courses and a wide gastronomic offer, from the typical "chiringuitos", beach bars and tapas bars, to the most luxurious Michelin-starred restaurants. All this, added to its microclimate with more than 320 days of sunshine a year and an average annual temperature of 20° C, makes Marbella one of the most sought-after destinations to live in Spain.
