Property Description

New Build Penthouse La Resina Golf for sale on Costa del Sol.

NEW RESIDENTIAL COMPLEX IN ESTEPONA A project that overlooks the sea and the mountains and whose architecture integrates with the environment to create a habitat in its own right, where the sun and the Mediterranean mark the passage of time. The complex consists of 2 and 3 bedroom apartments with large terraces, penthouses and ground floor apartments with garden. Among the very comprehensive communal facilities are its two outdoor swimming pools, coworking space, fully equipped gym and sauna with shower.

Residence located in Estepona, one of the most attractive corners of the Costa del Sol. The town has become one of the most sought-after locations on the Costa del Sol, thanks to its quality of life and wide range of leisure and lifestyle activities. Nevertheless, it remains true to its roots and Andalusian charm. The abundance of high-quality golf clubs in the area justifies the fact that this area is known as the "Costa del Golf". The spectacular natural landscape is the perfect setting for a variety of outdoor sports on land and sea. In addition, its unbeatable climate, renowned for its 325 days of sunshine on average per year, as well as its sheltered position, make this city a model of quality of life in Spain and Europe. The residential area enjoys excellent accessibility to the main roads of the province, which places it 10 minutes from Puerto Banus and less than 45 minutes from Malaga airport. The quality of the beaches, their services and their excellent accessibility have been rewarded with a record number of blue flags.
