Property Description

New Build Apartment Las Mesas for sale on Costa del Sol.

NEW RESIDENTIAL COMPLEX IN ESTEPONA New residential complex of 40 apartments and penthouses with 2 and 3 bedrooms with large terraces. You can find ground floors with large gardens and duplex penthouses with dreamy terraces. The common areas have swimming pools for children and adults, a gym, a social room with a gastronomic area and many other things that will make your daily life an experience. All properties benefit from open-plan furnished kitchens, designer bathrooms, spacious living

rooms and high-quality finishes. In addition, all units include a covered garage and a storage room. The developer configures all homes individually with the client, so clients can choose their home's finishes from the material options the developer has prepared for this promotion. And if the client wants to further personalise their home, the developer offers a wide range of improvements to give it a personal and different touch. Estepona is one of the few coastal towns that has managed to retain its pueblo charm and character. Nevertheless, all the tourist infrastructures are present: hotels, restaurants, cultural and leisure activities, shops. The many street cafes and tapas bars still serve traditional Spanish delicacies. In the "old town", the narrow and steep streets are pedestrianised and decorated with flower pots of different colours. It's a treat for photographers. You will find bars and small shops in Estepona, where you least expect them, all very welcoming and friendly.
