### Property Description

New Construction Apartment Mijas for sale on Costa del Sol.

NEW RESIDENTIAL COMPLEX IN MIJAS New construction of a unique residential complex where you can relax and enjoy life to the fullest. Quality, nature, comfort and innovation are the principles that guide and inspire the design of 50 apartments divided into 3 construction phases. Enjoy a prime location in the mountains of Mijas, with the beaches of Fuengirola as a backdrop. - Located by nature: the complexes guarantee nature and tranquility, while offering the possibility of enjoying all kinds of services within a 10-

minute radius by car. - On the edge of nature: With the most desirable orientation of the Costa del Sol, the southwest, the complexes offer exclusive 2 and 3 bedroom apartments. In the design of the buildings, the emphasis has been on privacy, incorporating hanging gardens that fall along the façade like a green waterfall. This makes it possible to create lush privacy walls and fully integrate the environment into the overall vision of the project. - A home by nature: The apartments are flooded with natural light, creating a warm and welcoming atmosphere. The interior design emphasizes the heart of the dwellings by offering a large open space for the living and dining room. - Concept by nature: a unique nature-based project that will become a landmark of real estate in Mijas. Each home is unique, catering to the tastes and needs of its owners. Thanks to our rich catalogue of finishes to choose from, owners can find different options for floors and tiles, taps and toilets, as well as different finishes for kitchen furniture and extras to give the apartment a touch of distinction. Landscaped areas and hanging gardens envelop the private amenities of the residential complex: - Outdoor infinity pool. - Separate children's pool. - Wellness area with sauna, Turkish bath and fully equipped functional training area. Mijas Costa is one of the most popular holiday destinations in Spain. If you're looking for a quiet holiday, you're likely to find a bit crowded during the months of July and August. It is an ideal destination for families, with plenty of activities and easy access to the rest of the Costa del Sol. Mijas Costa is a very varied coastal area of the Costa del Sol, nestled between Fuengirola and the seaside resort of Cabopino, east of Marbella. The area encompasses the popular resorts of Calahonda, Riviera del Sol and La Cala de Mijas. Mijas Costa is an ideal destination for holidays with family or friends, with safe beaches, shops, bars, restaurants and golf courses in each resort. Mijas Costa is well placed to explore the rest of the Costa del Sol. The elegant resort town of Marbella is only a 15-minute drive away and the white villages of Mijas, Coín and Alhaurín el Grande are also close by and worth a day trip. The city of Malaga is about a 30-40 minute drive away, depending on where you're staying. Mijas Costa is full of bars, restaurants and beach chiringuitos. Due to the large number of tourists and foreign residents in Mijas Costa, visitors will find a large selection of cuisines from all over the world. Traditional tapas rub shoulders with Indian cuisine, pizzas or a typical English breakfast. You're spoilt for choice.
