### Property Description

This stunning 18th-century stone-built longère, with a slate roof, is situated in a market town that offers all amenities, between Compiègne and Soissons. The famous historic town of Soissons is located 17 kilometers away, Villers-Cotterêts is 20 kilometers away, and Compiègne is 25 kilometers away. Paris Charles de Gaulle airport is just 50 minutes away, and Paris is a 70-minute drive.

The property is set on a 6,400 square meters plot of fully enclosed grounds and offers approximately 214 square meters of living space. Upon entering the property through the automated gate, you'll be greeted by a beautiful entrance hall. To your left is a bright and spacious living room, measuring 50 square meters with a large stone fireplace and terrace access. Following on from the living room is a fully fitted and equipped kitchen of 20 square meters, with storage and access to the terrace. There is also a utility room with ample storage space.

To the right of the entrance hall, you'll find a corridor leading to two bedrooms with dressing rooms, a bathroom with both bath and shower, and a separate toilet. Further along, there is a second lounge with a fireplace and bookcase. This lounge leads to a private night space comprising a hallway with storage, a 15 square meters bedroom, a shower room and a separate toilet.

Take the staircase to the first floor, where you'll find a large mezzanine with a study area and plenty of storage. There are two newly-fitted bedrooms at either end of the mezzanine.

The property also features a large terrace, a swimming pool, and a pool house with a summer kitchen, shower, and toilet. You'll have the option to park your cars in the barn, which measures 18 square meters, or the carport with a pit, which measures 115 square meters. A cellar, boiler room, and attic space for conversion complete this beautiful property.

The property has been well-maintained, with regular upkeep such as guttering, insulation, and conversion of the attic space. Additionally, it features a condensing oil-fired boiler installed in 2020, a water softener, and other recent upgrades.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
