Paris, New construction in Corneilles-en-Parisis

With an exceptional location at the gates of Paris, the Val d'Oise department is located on the strategic axis of the main European flows. The department displays a great dynamic, in particular by being part of the Greater Paris projects (Creation of the automatic metro "Grand Paris Express") but also by large-scale projects such as the creation of a new port (Seine Oise confluence).

THE GREEN LUNG OF THE WEST OF PARIS

The Val d'Oise has a regional natural park of French Vexin offering a harmonious and balanced development project: 32 hiking trails, cycle paths, and cruises on the Oise, a regional natural park (Oise-Pays de France) of nearly 60,000 hectares made up of hiking trails, gardens, and castles.

CORMEILLES,

ONE OF THE MOST BEAUTIFUL HILLSIDE ON THE RIGHT BANK

Its elevated location, overlooking the west of Paris, its old stones, and its wooded setting, make Corneilles-en-Parisis one of the most popular towns in Île-de-France.

The charm and authenticity of this suburban town of 25,000 inhabitants contribute to a preserved and sought-after living environment. A treasure that this chic countryside of Paris treasures and preserves.

A green city, Corneilles en Parisis has 112 hectares of wooded areas and green spaces.

1,571 companies, including more than 500 shops and services to individuals, constitute the direct economic and social fabric of the city.

THE NEIGHBORHOOD

“TOP AND CENTER”

The Haut et Center district is a residential area that combines calm and immediate proximity to all amenities, shops, schools (25 in total in the town) and roads serving Paris:

- Gare St Lazare in 18 mins • Line J of the transilien

- Direct access A15
- CDG airport in 35 minutes

Many buses provide connections with the town of Cergy to reach the RER A station of Sartrouville and that of the RER C of Montigny – Beauchamp

THE RESIDENCE

On the heights of the city, facing the west of Paris and on the edge of the forest of Corneilles-en-Parisis, the Domaine is an intimate residence, designed in a “village spirit”.

The elegant low wall of old stones that borders the estate, the large ironwork gate that opens onto vegetated paths and its paved entrance, inscribe the residence in authentic architectural codes and of character.

THE DOMAIN

The Domaine is an intimate domain offering only 6 townhouses from T3 to T4 and 23 apartments from T2 to large T4, with garden or private terrace.

The 29 accommodations are nestled in the heart of a superb wooded and landscaped park on the edge of the forest of Corneilles-en-Parisis.

The plus of the residence: At the back of the estate, a fitness area equipped with all the necessary equipment is available to all residents. Fitted out in an elegant setting like a Versailles Trianon, the estate's fitness club is a real asset.

The estate enjoys an ideal location in a quiet and residential area, just 9 minutes walk from the halls, the city center and 4 minutes by car from the city's schools (school, college, and high school).

STANDING HOUSING

The 29 apartments benefit from optimized interior surfaces, combined with luxury exterior services.

Terraces or gardens for the majority of properties, quality finishes, for an uncompromising living space, like absolute comfort. Optimal exposure and brightness with the West of Paris in the background and a green wooded setting.

From the R+1, some of the apartments and villas offer you a unique panorama of the west of Paris or the direct wooded environment of the residence. Some apartments even offer an incredible view of the July 14 air parade from their terrace.

The Domaine is a real place of life, meetings, and sharing. Faced with busy daily lives, isn't it time to take time, for yourself, for others? With a fitness room, large collective green spaces, and furnished outdoor
