New apartments for sale in the centre of Garches - Ile de France

A popular town in the Hauts-de-Seine area, Garches is nestled on the slope of a hillside and stretches between the Parc de Saint-Cloud and the Malmaison forest. Like a jewel of nature, this exceptional environment distils the sweetness of life and serenity. In the heart of the city, the charms of the old village are intact. The picturesque alleys, the tree-lined squares and the historical heritage, including the Saint-Louis church, imbue the place with preserved authenticity.

Garches is also a friendly and lively town. Renowned schools, food shops and craftsmen as well as sports and cultural facilities contribute to one of the most popular arts of living in western Paris. Perfectly integrated into its environment, the résidence in Garches brings all its refinement to the heart of the city. Its architectural style, very contemporary, seduces with its balanced lines and volumes. In view, the facade is ennobled by its noble and durable materials. The rough-looking stone rubs shoulders with the large glass openings. The wood covering the attic enhances the light coating of the floors, while the lacquered steel railings are in harmony with the joinery.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
