Property Description

Well presented detached house with annexe and 1.25 acres

This property was renovated by the previous owners between 2013 and 2015 and divided into a main house and attached 2 bedroom annexe. It is well presented throughout with light rooms and versatile

accommodation. There is the possibility of a ground floor bedroom in the main house and it would be easy to recreate an opening between the house and annexe. The house is surrounded by its gardens and is within an easy level walk of the local shop/bar/restaurant.

The house is situated in Southern Normandy, half way between the lively medieval market town of Villedieu-les-Poêles, famous for its copper production and the historic town of Vire, renowned for its culinary delights. The nearest ferry is at Caen Ouistreham (1 hour) and the channel tunnel is at Calais which is about 4 hours away. The village has a bar, bakery and small store for essentials and Saint Pois is slightly further away. The closest town, being some 10 minute drive away, is Brécey. Here you will find the local supermarket – Super U which also offers Petrol/Diesel facilities 24 hours a day. The town also has other shops, bars and restaurants including a pizzeria, bakeries & banks schools and doctors' surgery. It is 50 km from mystical Mont St Michel and its bay and 40 km from Granville, with boats to the Channel islands. The house is also within easy reach of the D-day landing beaches. The forest of Saint Sever is within a 10 minute drive.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
