Property Description

Stunning Manor House in Normandy to finish renovating

The property benefits from gas fired central heating with individual thermostatic controls on all the radiators, double glazed windows with roller shutters and spacious accommodation. There is the possibility of creating

extra bedrooms in the loft space. Ideal as a B&B or for a large family house.

This property is in the Orne region of Normandy near the Calvados border and is surrounded by wooded hills and valleys that form part of the Normandie-Maine Regional National Park, an area of natural beauty that extends to some 257 000 hectares. The rugged Brittany/Normandy coastline is just over an hour's drive away and there are several lakes with beaches within half an hour by car. Local facilities can be found in the village - here you will find an excellent bakery, butcher, a restaurant, a village pub and other amenities including a mini supermarket and hairdresser. Historical Domfront, with its medieval port on top of a cliff, is only 8km away whilst Bagnoles-de-l'Orne, with its spa centre, casino, lake and sports centre, is also within easy reach (23 km). The UNESCO heritage site of Mont St Michel is 70 km from the property. It is 64 km from Alençon, the department capital and 225 km from Paris. The closest ferry port is at Caen Ouistreham (1 hour 15 minutes) and the channel tunnel at Calais is about 4 1/2 hours by car.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
