Property Description

Country house with 4 bedrooms and over half an acre of landscaped gardens

The property has been renovated over the last 30 years by the present owners. The roof and some roof timbers were replaced about 12 years ago. There is a lovely farmhouse kitchen/dining area and plenty of storage space on the ground floor including a large walk in pantry/utility room and separate storeroom and workshop. The workshop could easily be renovated to create a separate dining room or ground floor bedroom if required. There is an attached 2 storey building which could be renovated to provide an annexe or gîte, subject to planning. The gardens are beautiful and the house stands in the middle of the plot.

The house is accessible from any of the northern ports within 1-2 hours (St Malo, Cherbourg or Caen). It is a four hour journey from Calais if you prefer to come from that direction. The property is situated in a very peaceful rural setting, equidistant from Sourdeval, Vire and Tinchebray. Tinchebray is a short 5 minute drive away where there are restaurants, bakery's, a lake and supermarket can be found. Several great beaches are easily reached within an hour including Granville. There are several nearby disused railway tracks that are great for walks or cycling.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
