Property Description

Attractive detached house sitting in over an acre of pretty landscaped gardens just a 10 minute drive from all the amenities of Sourdeval

This property is believed to have been built in 1917 and it has been completely modernised to offer spacious

family accommodation in a lovely surrounding at the end of a no through road. It offers further potential to create a downstairs bedroom by extending into the attached barn and spacious and versatile accommodation. A particular feature of the property is the well stocked garden and surrounding views.

The property is situated in the southwest of Normandy, near the borders of Manche and Calvados, near the small town of Ger with basic amenities and approximately 5 1/2 km from Sourdeval, the nearest town. The town offers every amenity including two banks and supermarkets. Market day is held every Tuesday morning, as is the livestock market. The beaches on the west coast are an hour's drive away and Sourdeval is approximately 80 minutes drive from the port of Caen and an hour and forty minutes from Cherbourg. A little further afield are the D-Day landing beaches, the Mont St Michel. The Lac de la Dathée, ideal for walking, fishing and boating, and an 18 hole golf course are within 15 minutes drive, as is the Saint Sever forest.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
