Property Description

Splendid Neo-Norman individual detached house with large garden

The property was built in 2006 by Maisons-Volkaert construction company which was established in 1948, on a large plot of over an acre to a high specification benefitting from oak windows, internal doors, skirting

boards, etc. The windows are double glazed with electric shutters and there is programmable electric heating and a woodburner. The rooms are light and airy and there is a downstairs bedroom with en-suite shower room. Outside there is a detached garage with attached car port and a garden shed. A large patio offers views over the garden and the fields behind.

The property is located in Orne in the Normandy region of France on the edge of the Normandy-Maine Regional Park. It is roughly equidistant between the 3 villages of Yvrandes-Beauchêne-Ger. The UNESCO Heritage site of Mont St Michel is 58 km away and the coast at Granville is about 1 1/2 hours' drive. It is about 25 minutes to a 9 hole golf course Golf De Bagnoles - Route de Domfront at Bagnoles sur Orne. The ferry ports are within easy reach - 1 hour to Caen Ouistreham, 4 1/2 hours to Calais, 2 1/2 hours to Le Harvre port or Cherbourg. It is about 2 hours 15 mins to Paris by train. The pretty village of Lonlay l'Abbaye is about 6 km away. More extensive facilities can be found in the historic town of Domfront, which is a 15 minute drive and the town of Flers with a swimming pool, bowling, restaurants, shops and schools (about 10 minutes drive) or Vire (15 minutes drive).

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
