Property Description

Traditional detached Normandy house with 3/4 acre and large garage

This attractive detached house sits in an elevated position with superb views. It would benefit from modernisation and will need a new septic tank. The gardens are mainly to the front and sides of the property

and there is a large detached garage.

The house is conveniently situated just outside the pretty town of Mortain with its Abbey, waterfalls, 11th century Chapel and panoramic view of Mont St. Michel (about 3.5 km). This delightful town also offers a selection of Bars and Restaurants to suit all tastes and a wide range of shops together with a large supermarket. The medieval town of Domfront, with its narrow streets and ruined castle, also offers the same facilities within a 20 minute drive. Also St. Hilaire du Harcouet is only 12kms with a big weekly market. The UNESCO heritage site at Mont St Michel is 46 km away. The Voie Verte which forms part of the Paris to Mont St Michel cycleway and provides links into a further network of routes throughout Manche, into Calvados and Bretagne is 1.5 km from the property. Located at the southern tip of Manche the property is served by the ports of Caen Ouistreham (1 hr 15 min.), Cherbourg (2 hr 15 min.), Le Havre (2 hrs) and Calais (5 hrs).

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
