### Property Description

Modern detached house with far reaching views

The property was built by the present owners and completed in 2020 - it is timber framed with a composite slate roof. It benefits from a south facing aspect overlooking its land of nearly 4 acres and the valley beyond.

There is room to create additional living accommodation in the loft space, subject to planning to put windows in.

It is situated in the southwest of Normandy, near the borders of Manche and Calvados, approx. 5 kms from Sourdeval, the nearest town. Only a few minutes drive away, the town offers every amenity including two banks and supermarkets. Market day is held every Tuesday morning, as is the livestock market. The beaches on the west coast are an hour's drive away and Sourdeval is approximately 80 minutes drive from the port of Caen and an hour and forty minutes from Cherbourg. A little further afield are the D-Day landing beaches, the Mont St Michel. The Lac de la Dathée, ideal for walking, fishing and boating, and an 18 hole golf course are within 15 minutes drive, as is the Saint Sever forest. The nearest Ferry Port is at Caen (50 miles) or a one and a quarter hour drive to Saint Malo, and the nearest train station is at Vire (8 miles) from where you can take a fast train to Paris.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
