Property Description

Beautiful Presbytery with 9.5 acres in a village with amenities

This stunning property has been renovated and insulated and offers spacious family accommodation and the potential to create additional bedrooms in the loft space. There is a ground floor bedroom with en-suite

shower room. Unusually for a small town centre property there is 9.5 acres of adjacent land. The property was re-wired in 2008 and as part of the renovation project it had new bathrooms, windows and central heating system. The owners have, in the past, used the four 1st floor bedrooms for B&B at about 75€ per night.

The property is situated in the Orne department of Basse Normandie in the north west of France. It is in a small village with an Infant School, Bakery/Grocery shop, Hairdresser, a Restaurant (due to re-open soon) and a regular bus service. The nearest major town with all amenities, including a mainline train station with direct access to Paris is at Flers which is 15 km away. Closer to home is the Medieval town of Domfront which caters to all every day needs, including doctor's surgery, pharmacies, schools, shops, bars and restaurants. The renowned Spa town of Bagnoles de l'Orne is 15 km from the property.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
