This house is a beautifully presented barn conversion which has been renovated over the last 9 years by the present owners. It comprises a three bedroom house with an attached one-bedroom gîte which can be

accessed via the main house or independently. There is a separate detached bungalow which is used for storage, which will require some modernisation.

The house is in Calvados in the Normandy region of France. Local facilities can be found at the small town of Saint Pois (5 minutes' drive). It is 15 minutes drive to the market town of Sourdeval and 15 minutes drive to Vire. The Lac de la Dathée, ideal for walking, fishing and boating, and an 18 hole golf course are within 10 minutes drive as is the Saint Sever forest. ## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
