Property Description

Discover an exceptional work of architecture, designed by renowned Bordeaux architects, offering a raw aesthetic and clean lines.

This house on 2 levels, made entirely of raw concrete both inside and out, harmoniously combines concrete

and wood for a contemporary and warm marriage. The beautiful living room, bathed in natural light, opens onto a magnificent swimming pool to the east and a charming shaded terrace to the west, offering an idyllic living environment for relaxing and entertaining. A discreetly integrated pantry with laundry room completes this level for optimal daily functionality.

Upstairs, four bedrooms welcome you, including a master suite with private bathroom. A children's bathroom and a separate toilet complete this floor. Bespoke wooden storage adds a touch of elegance and practicality to every space in the house, while a ground floor stove provides additional heating, creating a warm and friendly atmosphere.

The swimming pool, heated and treated with salt, nestled between the concrete walls, perfectly embodies the uncompromising lines of brutalist architecture, recalling the distinctive style of the illustrious architect Ricciotti.

This exceptional house represents a true architectural gem, offering a unique living environment where contemporary design and functionality meet to create an incomparable residential experience. Don't miss the opportunity to make this residence your home.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
