Property Description

In the popular Chartrons district, this majestic loft with industrial and contemporary character offers a surface area of 190 sqm. Ambiguities between softness and raw materials, intimacy and extravagance in a spacious and warm setting.

Before discovering an imposing cathedral living room where two steel staircases clash royally, a corridor leads to a delicious open kitchen opposite its pantry. Upstairs, two other bedrooms, a bathroom and a shower room offer a practical layout and benefit from a terrace.

A lounge area completes this level. At the top of the second staircase, a magnificent master suite with its dressing room, bathroom and office space. The ground floor benefits from extraordinary volumes, with its living room of almost 100 sqm, opened by full-height bay windows onto the outdoor space of approximately 80 sqm, with its natural wooden swimming pool, overlooked by its terrace sliding.

A garden shed and a parking space complete this loft with quality services and remarkable architecture.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
