Property Description

1980s residence reinvented with taste and modernity, offering approximately 250 sqm of comfort and refinement. Nestled on a landscaped plot with garden, swimming pool and large parking spaces, this residence harmoniously combines space and light.

As soon as you enter, a large living room bathed in natural light welcomes you. The high ceilings are impressive, as is the fireplace which sits elegantly, creating a warm space facing the large bay windows opening onto the terrace and swimming pool, ideally facing due south.

The dining room fits in naturally, making this space a friendly place in perfect symbiosis with the garden.

The semi-independent kitchen, perfectly equipped, is another asset. Functional and directly connected to the garage, it promises practicality and modernity on a daily basis.

The ground floor continues with a corridor with multiple storage spaces serving a large master suite, a dressing room, a spacious bathroom with shower and bathtub, a separate toilet, a laundry room and two other bedrooms.

A wine cellar completes this single-storey living space, a valuable asset for lovers of good wines.

Upstairs, it's time to relax! A lounge-office area, with a cozy and attic atmosphere, opens onto two additional bedrooms, one of which has its own bathroom with adjoining toilet.

With no work to be planned, this house offers an ideal living environment, in a quiet area, while being a stone's throw from the schools, shops and transport of the center of Haillan.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
