Property Description

500 m from the Basilica of Saint-Michel, in a stone building completely renovated in 2021 with elevator, this apartment located on the 4th and last floor has been entirely tastefully designed by its owners and belongs to a small co-ownership of 7 lots.

The landing door is located on the 3rd floor and access is via a private staircase or you can arrive directly via the elevator in this apartment of 133 m² on the ground and 114 m² Carrez. We discover a large living room of 67 m² with a fully equipped kitchen opening onto an intimate terrace not overlooked of 16 m². Beautiful high ceilings, pretty parquet flooring, high-end fittings give this very bright place a warm and cozy atmosphere.

On the street side, we discover a first bedroom in the attic with storage and skylights, then a second master bedroom with dressing room and direct access to the bathroom.

This is also accessible from the living room and has a bathtub as well as a walk-in shower. A third bedroom is located behind the kitchen as well as a separate toilet. Finally, a utility room next to the elevator arrival completes this level. Regarding the new common areas, the apartment has a healthy vaulted cellar of approximately 15 m² accessible by elevator with good height as well as a bicycle storage room on the ground floor of the building.

Possibility of acquiring an additional parking space. Very beautiful apartment of high quality in which to put down your suitcases!

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
