Property Description

Léa's exclusive. Between town and country, this 120sqm architect-designed wooden house with a flat roof, built in 2023, sits on a 360sqm plot. This villa is composed of several volumes and heights offering a resolutely modern aesthetic.

The entrance hall, with storage space and a toilet, provides direct access to the vast living room of over 40sqm where the living room, dining room, and fully equipped open kitchen meet. Brightness is the key word thanks to the bay windows. The choice of materials combines aesthetics, quality, and comfort. Adjacent to the kitchen, a pantry is ideally located.

The whole opens onto a terrace with a 5x2 meter swimming pool and a garden. The east wing of this house houses an office overlooking the exterior and the garage of approximately 20sqm, a master suite with bathroom completes this level.

Upstairs, a hallway leads to two beautiful bedrooms sharing a bathroom with a walk-in shower and toilet.

The quality materials, the contemporary style combined with the generous volumes make this architect-designed house a real favorite.

ENERGY CLASS: A / CLIMATE CLASS: A. Estimated average amount of annual energy expenditure for standard use, established from 2023 energy prices: between 470 and 690 euros.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
