Property Description

Situated on the magnificent main square surrounded by arcades of one of the most beautiful villages in France, between Cazaubon and Mont de Marsan, this property is a jewel. It has been perfectly renovated by a highly reputable company.

From the entrance with its period terracotta floor tiles, you pass into the spacious kitchen which has been made to measure and is fully equipped by the well known Lacornue company. On the first floor, the double living room is bathed in light and benefits from a beautiful view over the square with its arcades and its 13th Century Church. Its original parquet floors and wood panelling give it a lot of charm. The same goes for the two double & luminous bedrooms which each have their en-suite bathrooms. A cosy summer sitting room with original terracotta floor tiles opens onto a pleasant sunny terrace.

The property has a sports room which could be used as a 3rd bedroom or an office. The (non attached) garden has a nice variety of trees and an original stone outbuilding which could be restored to your own taste: pool house, guest house, workshop, office. Please feel free to contact us for more information or to organise a viewing.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
