### Property Description

Located in the heart of Biscarrosse village, this surprising villa of approximately 330m<sup>2</sup>, redesigned by an interior designer, stands out on a wooded park of approximately 2800m<sup>2</sup> where the song of birds and the mix of olive trees and palm trees invite you to travel. .

From the entrance, the living room offers generous volumes where a living room with a triple exposure, a

dining room and an open kitchen are harmoniously articulated. An open fireplace gives the space a warm and friendly atmosphere. Continuing, a charming master suite with bathroom and dressing room.

The sleeping area also consists of a second suite with its bathroom, two additional bedrooms, a bathroom and two separate toilets. From the living room, a staircase leads to a mezzanine that can accommodate an office space.

Outside, there is a large terrace, a jacuzzi, an outdoor lounge, and a heated swimming pool which allow you to take full advantage of the sun's rays.

To complete the comfort of this property, an outbuilding including a bedroom offers various development possibilities: rental yield or reception house.

Two garages and multiple parking possibilities in the park complete the comfort of this family villa where the exotic and the contemporary have found the perfect balance.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
