Property Description

Located 5 minutes from Condom, a dynamic town with all amenities and services, yet perfectly tranquil with stunning views including the Pyrenees, this beautiful late 18th-century property, built in stone, has been completely renovated. It features a charming independent guest house of 83m², a 12m x 6m swimming pool with submerged electric cover and new liner (replaced in May 2023), a tennis court, and a beautiful fully

fenced garden of 15,000m².

The Main House comprises on the ground floor an entrance hall, a large living room with a fully glazed 'Philippe' fireplace, a spacious dining room with a wood stove, a 28m² equipped kitchen, a laundry room, a boiler room, a WC, and a bathroom with WC. The west wing of the ground floor benefits from a large reception room with a bay window opening onto a beautiful terrace by the poolside.

Upstairs, accessed by the entrance staircase, the east wing houses 4 spacious comfortable bedrooms served by a 22m² landing (3 guest bedrooms ranging from 14m² to 19m² with a shared bathroom - bathtub, shower, and toilet - of 14m²). All bedrooms have a washbasin. The landing also leads to a 45m² master suite (with fireplace and gas insert) which has its own dressing room in the corridor leading to its complete bathroom of 15m². Finally, the landing is also directly accessible by an external staircase and its sheltered terrace. The landing and all bedrooms have solid oak parquet flooring.

On the upper floor of the west wing, accessed by the staircase from the large reception room, there is a 27m² mezzanine for a library or games room which serves 2 comfortable bedrooms - a 28m² family room (with fireplace and gas insert) and a 22m² bedroom with direct access to the shower room (shower - washbasin - toilet).

The guest house is of the same standard as the main house and has a 44m² living room with equipped kitchen and 2 bedrooms each with a shower room and WC. Electric underfloor heating (consumption depends on winter occupancy of the house) - Wired and Wi-Fi internet equipment - Private covered terrace of 20m² - Direct access also to the pool.

The main house also benefits from all modern comforts, high-speed fiber optic internet, low-consumption oil central heating (2500L/year), perfect insulation, and double glazing (category C in the DPE)...

The exteriors are wonderfully arranged with a well, a fountain, and two large sheltered terraces (90m² for the one adjoining the reception room and 45m² for the one adjoining the dining room and kitchen), so one can enjoy the Gascony climate at any time. The flower garden has semi-automatic watering with a 26,000L rainwater recovery tank. The entire property is equipped with outdoor lighting at numerous points. The pool is surrounded by a large deck and enjoys sublime views of the Gers countryside and the Pyrenees. A perfect property that deserves a visit

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
