Property Description

This magnificent 200-year-old property is located near the historic castle of Villeneuve Minervois and is full of history. The village has various shops, a school, and medical services. The property is ideally located just 15 minutes from Carcassonne and its international airport.

The property consists of several distinct parts. On one side, there is a beautiful mansion full of charm and exceptional finishes, including several lounges, a kitchen equipped with marble Caunes to prepare breakfasts, and five guest rooms, one of which is designed for people with reduced mobility. In the same building, there is also a private apartment of 70 sqm with a terrace and a second, more spacious apartment of 122 sqm. The total living area is 520 sqm. This part can be used as a guest room or remain a part of the rest of the house.

On the other side, there is an old restaurant room of 160 sqm and a kitchen of 63 sqm. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
