Property Description

This renovated farm of 180m2 of living space, entirely on one level, is located just 5 minutes from the town center of Montauban. In a sought-after residential area to the east of the city, a long country lane denotes and leads us to this island of greenery, on which this charming and comfortable house is located. To be more precise, it is an old barn and its living area which were completely restored a few years ago. The optimization work necessary for comfort and energy savings is very recent. (Heat pump with underfloor heating, aluminum frames, attic insulation). 3 distinct parts which offer great ergonomics! Indeed, the large entrance

hall, located in the middle of the house, leads on its right to the bright 55m² living room where the imposing open fireplace takes pride of place. A very beautiful and authentic workshop-style glass roof creates a separation from the kitchen. The light coming from the windows and French doors in the living room and the kitchen is thus preserved. A first bedroom of approximately 20m², its storage space and its bathroom/wc complete this space. The sleeping area on the other side of the entrance hall is made up of 2 bedrooms of 11 and 16m². A bathroom and a toilet complete this space. Adjoining the house and accessible from the laundry room, there are no less than 125m² of garages, which offer 3 covered and closed parking spaces, as well as an imposing storage space. You're sure to fall in love with this charming renovation which will only require a slight refresh to express its full potential. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
