Property Description

This charming development is just a few minutes' drive from Castelsarrasin town centre and its canal port. It is also just a few minutes from all amenities, the train station and the motorway toll plaza.

It comprises a comfortable family home of around 170m² and a 57m² duplex studio with terraces and

swimming pool. The latter is very popular for short-term rentals.

In the house, the entrance hall leads to the first bedroom.

Thanks to its configuration, this private space, with a toilet, a shower room and direct access to the terrace, is currently being used as a guest room. It's been a great success here too.

The kitchen (with its breakfast area) opens onto a comfortable lounge/dining room.

The fireplace and bar area add to the already cosy atmosphere. The various access points to the outside allow you to live both inside and outside, and make the most of the garden, the terrace and its authentic barbecue.

A wide corridor leads to the three comfortable bedrooms, study and bathroom that make up the sleeping area. The bedrooms have plenty of storage space. The bathroom has a walk-in shower and whirlpool bath.

You'll have to cross the garden, planted with flowers with taste and love, to reach the intimacy of the gîte.

This genuine holiday home comprises a ground floor through room with a modern, ergonomic fitted kitchen.

There is direct access to the two covered terraces, the solarium, the swimming pool and the jacuzzi.

The first floor has been cleverly designed and organised. A study and storage area, a TV area, a sleeping area and a shower room share this cosy, intimate and comfortable attic space.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
